

OUR MISSION

To provide high quality care "close to home"

OUR VISION

"Leading sustainable health care delivery in rural communities."

OUR VALUES

Every effort is made to ensure the values and principles of the organization are realized on a day-to-day basis.

Community

We are proud to serve the residents of Smooth Rock Falls and the surrounding areas; our family and our friends.

01

Person centered care

The person, their family, and their care team are equal partners in planning, developing and monitoring care.

02

Collaboration

Working together to provide the best possible care.

03

Accountability

We take ownership of our decisions and the action taken to achieve our goals.
